CLERK: Senator Nichol had voted aye. Senator Kelly voting aye. Senator Luedtke voting aye. Senator Savare voting aye. Senator Duis voting aye.

PRESIDENT: Report the vote.

CLERK: 20 ayes, 10 nays, Mr. President, to overrule the Speaker's order.

PRESIDENT: Motion fails.

CLERK: I have others, Governor.

PRESIDENT: Coming into the south balcony are thirty-seven Senior High students from Gibbon, Nebraska. That's in Senator Cope's district. Thank you for being with us this morning.

CLERK: Mr. President, Senator Nichol moves to amend the Speaker's order to take up LB 966.

SENATOR NICHOL: Mr. Chairman, members of the Legislature, I could care less about this bill but as I understand and perhaps Senator DeCamp could help me a little. The banking industry needs this to be able to accept withholding and social security payments from businesses so that they may turn it in to the federal government and I understand there's a quirk that needs to be straightened out. Senator DeCamp, could you help me if I'm not stating this quite correctly? But I understand that we really do need it.

SENATOR DE CAMP: No. You're stating it correctly. Remember that was the one we suspended the rules on and introduced it special at the request of the State Banking Department. Come June 1st there's going to be chaos in all the deposits but I wasn't going to make the motion because I wasn't going to create any problems or riffs here today. Remember we suspended the rules. Then we brought it direct to general file. Then I made the motion to advance it and Senator Warner thought we ought to read it before it advanced and there it's been stalled every since. It's never come up. Fowler tried to kill it.

SENATOR NICHOL: I just move, period.

PRESIDENT: Frank Lewis has asked for the previous question. Do I see five seconds? I do. The question is, shall debate cease. Have you all voted? Have you all voted? Record.

CLERK: 28 ayes, 1 nay to cease debate, Mr. President.

PRESIDENT: Debate ceases. Sir? All right, well we have to read the bill first. The Speaker's order has been amended. What did he move? Oh, excuse me. Debate is ceased. Now the question is shall the Speaker's order be amended. Record your vote on that proposition. Have you voted? Record. Senator Nichol.

SENATOR NICHOL: A Call of the House please.
